H.E Behgjet Pacolli  
The Frm. President of Kosovo  
First Dpt. Prime Minister, Government of Kosovo

Mr. Pacolli

It gives me great pleasure to offer our most sincere congratulations to you and the people of Kosovo on the advancement towards your country's independence.

During our meeting while you were here, you informed me about new facts and situation in Kosovo stating that after the declaration of independence, Kosovo started with the process of state building as a modern, democratic and European prospective state.

During our discussion, I understood that Kosovo is caring for its minorities and respecting human rights. You also informed me that the declaration was done in accordance with the international law, as affirmed by the decision of the International Court of Justice in Hague.

Our government fully understands your people's will for freedom and independence; we are behind other nations that have recognized the Republic of Kosovo.

We look forward to enhanced diplomatic, economic and cultural relationships with your government.

Sincerely,

Yoweri Kaguta Museveni  
President of the Republic of Uganda
